### CHAD MELVILLE OF MELVILLE VINEYARDS

Our relationship with Chad began many years ago while attending a fall wine dinner in which he had to leave early so he could get back in time to oversee the midnight harvest. After meeting him and learning more about his vision he is a true example of "doing it the hard way because it is the right way." From picking grapes in the cool temperatures of the darkness, to fermenting in hundreds of small 2 ton fermentors, to using only stems to provide the structure of his wines; it all points towards creating wines that express their true sense of place, with no outside influences. As we get to know Chad, we find he and his wines to be even more humble, unique, and remarkable. We are proud to be invited each fall to Melville to spend an early morning picking, stomping and processing grapes. We now have the privilege of serving the 2014 Santa Rita Hills appellation Pinot Noir to our guests.
